Lone Peak Interagency Hotshot Crew (IHC) is seeking highly skilled and motivated applicants to fill one Career Seasonal Lead Crewmember (LCM) vacancy. This is a permanent, benefited position and it runs similar to a 13/13 work period.

Individuals interested in this position must be a team player, highly motivated, self-disciplined, hardworking and in top physical condition. The candidate will follow the chain of command and be empowered to make tactical decisions to achieve the expressed end state. Tactical problems or unfamiliar situations that would require modifying established strategies are referred to supervisor for guidance. As a Lead Crewmember, the incumbent will lead by example in all phases of fire suppression activities including initial attack and extended attack, fire line construction, hose lay construction, firing operations and mop-up. When not engaged in wildland fire operations, the candidate will actively lead and participate in daily physical training sessions and other work as assigned.

Prospective LCM's must be prepared for rigorous physical training which includes but is not limited to long distance running, hiking with heavy loads, and calisthenics.

Lone Peak IHC is a state sponsored Hotshot Crew part of Utah's Department of Natural Resources, Division of Forestry, Fire and State Lands. Lone Peak adheres to all guidelines outlined in the Standards for Interagency Hotshot Crew Operations (SIHCO).
